- Saturday (10:00 am - 01:00 pm) Please add the cooperation profile

Description

We are an Italian company working in the agribusiness Sector in Ghana.

We have a fully registered land concession for a wide area in central Ghana: 4,500 hectares of land available for agriculture, among which:

- 700 hectares farmed (since 2012) with jatropha curcas, an oil seed bush from which we are producing jatropha oil for the European market of specialty chemicals

- 2,000 hectares (minimum) to be dedicated to food crops (maize, yam, cassava, etc.) for local and international markets (farming activities already started on early 2015).

(2,000 hectares dedicated to Jatropha curcas to produce vegetable oil for technical uses
