Business Offer

Business development and institutional meetings

The identification and development of relations with institutional and economic partners is a crucial issue for a correct positioning strategy in the market of interest.

Marazzi & Advisors, thanks to a consolidated network of contacts and to the ability to manage relations at every level, facilitate and create opportunities for connecting and meeting.

In particular, on behalf of their clients, they take care of the following:

- Analysing social, economic, local policy and the identification of interlocutors of interest;

- Developing the corporate strategy by bringing the client's specific interests to the attention of the main institutions of the Country of reference;
- Organising meetings with local businesses at top managerial levels and matching opportunities.
