### Middle East & North Africa Communication

Communicate abroad, particularly on fast growing markets, is fundamental for Italian companies aimed at growth and internationalization. The project SG Middle East & North Africa is developed to assist Italian companies that want to correctly interpret the selected markets and promote their brand with communication strategy direct on the territory. To support companies in this path SOLUZIONE GROUP has entered into two major joint ventures with leading Public Relations and Communication agencies: Watermelon in Dubai and Presma RP in Casablanca
